DANCE RESEARCH NRW #17 Bonn (english)

PERIOD: August - October 2015

HOST: Bonn (CocoonDance & die Bundesstadt Bonn)

Thematic focus: Identity is not tied to a specific location. Yet globalisation and migration question the conventional concepts of space. Only in movement can we experience locations and make them accessible with our body and thus create the space we can then connect to stories. The **Dance Research NRW #17 in Bonn** is devoted to the question of how these body and spatial experiences can be artistically tangible as a political and aesthetic category.
